Dear Mr. Larry Jobe,

Attached, please find our INVOICE for the flight conducted by Flying Tigers Historical Organization through Thailand and Myanmar in November 2016.

We were pleased to assist with this historic flight, and we did not obtain any profit on handling this flight. All of the expenses listed here were incurred by us in securing the clearances and landing rights and organizing fuel and re-applying for clearances after the 2 delays in Indonesia and Singapore.

We have previously sent you an invoice in April 2016, to the Flying Tigers Historical Organization address. Please let us know if this invoice is to be paid by Flying Tigers Historical Organization in USA, or if it is to be paid by the Flying Tigers Historical Museum Park in Guilin, China.

Congratulations, and thank you to your kind attention to this matter.

Sincerely,

Christian Mosebach,  
Director
